§  **SWEEP COMPLETE (all 15 bands, 2026-07-02) — STRUCTURAL RESOLUTION: 008 + 009 = ONE 16-ARTICLE INSTRUMENT**

Why this sweep (2026-07-02): the first-sweep companion section held only the caption + ~8 of 16 Articles verbatim ("representative articles") + a modernized digest — much less text than the 19.2 MP membrane (2862×6720) carries. This sweep reads the whole leaf line-by-line, like 010's grid pass. **This replaces the companion's "representative articles" section once complete.**

Bands: crops/crop_s8_b1..b15.jpg — 15 full-width bands (x 0.05–0.99), each ≈4–5 written lines, ~14% overlap. [?] uncertain · [...]/[_] supplied/illegible · word interlineation. Flush per band pair; MB rule: read 1–2 bands per message.

Verification-pass zooms already on disk for Arts. 1–3 names (crops/crop_v008*) — readings from those carry over.

[[PHASE 4A FOLD-IN, 2026-07-08 (user-approved)]] The 4A half-column line-index sweep (`_WORKING_008_LINE_INDEX.md`, census **86 lines**, 19-item delta log) is folded in below via *[[4A: ...]]* notes. **Verdict: this sweep SURVIVES at substance level.** Instrument-level result: the leaf is ONE actively-revised draft — five insertion/strike events mapped, all in the same orange/faded second-ink family (the «or» at L22 · or to be of Counsell at L23 · the three-token strike across L32/L33 + to you or · the ~~Councell~~ strike + SQUEEZED fee clause at L40 · the liverye interline at L65/66 · the "or of the [him?]selfe" interline at L75). Scribal habit newly isolated: 4 short runover tails (L41 "[fee?] for the same" · L48 "bill" · L63 "doe therein" · L80 "chamber"). TNA items → ledger.

[procure,] devise or intreate yo[u] to p[re]ferre the said bill; or who did yt; ... △ NEW vs first sweep: the margin carries article numbers ("2", "4" legible; "3" probable) — the numbering scheme is the scribe's own, not editorial. "his bretheren" (not "brothers"). The different-ink "or" before William Bulkeley is a correction worth flagging. ★ PRECISION-PASS CORRECTION (zg8m2, 2026-07-02): the margin "2" anchors at the "And

doe you beleve" clause (band 2), NOT at the quarrels clause — Art. 1 = the report alone; Art. 2 = brother-belief + own-indictment + quarrels. See the corrected map below.

Band 5 (src y 1804–2367) — Art. 4 completes (Towneley drew the bill); Art. 5 opens (margin "5")

... [nephewe, or any of them _] be of [Coun]sell[?] ... Two scribal strike-throughs + the "to you or" caret insertion show the Articles were being actively revised as drafted.

Band 7 (src y 2687–3250) — Art. 6 (margin "6"): the money probe, in full

(margin "6":) Item: what some or somes of money did you receave, or shall yo[u], of the said S[i]r R[i]chard & Willm Bulkeley, or of either of them, & of Willm ap Rees himselfe, or of any other p[er]son or p[er]sons, by their or any of their direction or appointm[en]t, directlie or indirectlie, sithence the vj^{te} *¶4A #9: superscript ordinal* day of October last. (margin "7":) **And did not you, a litle before you were imprisoned, resorte to the said S[i]r R[i]chard[s] house in Channell Rowe, or els where the said S[i]r R[i]chard laye or remayned: And did not yo[u] keepe companie w[i]th his men, and diett yo[ur]self w[i]th them where they comonlie used to diett: And did not yo[u]r]self keepe companie w[i]th the said Willia[m] Bulkeley, and what conference had yo[u] w[i]th the said Willia[m] Bulkeley touchinge the proceedinge upon the said [bill] ...** *△ Art. 6's fee clause ("be of Councell ... any fee") and Art. 7's "his men / where they comonlie used to diett" + the William-Bulkeley conference clause were NOT in the first-sweep digest. "Channell Rowe" verified at magnification (z8art7_b1, 2026-07-02): the band-level "[N]ewbur[gh] [T]owne" is RETRACTED — instrument and answer (005L "Channall Rowe") agree: Channel (Cannon) Row, Westminster.*

Band 9 (src y 3569–4133) — Art. 8 (margin "8"): estate at the ACQUITTAL; father's money; disbursements

(margin "8":) **Item: what lande[s?] ten[emen]t[e]s[?] goods and cha[ttells]** *¶4A #7: the estate list has FOUR members (standard formula); 07-02 read three* **[had] you at the tyme you were acquitted** *¶4A #8: firmed, bracket dropped* **of the said murther: And where were they: And what some of money had you sithence of yo[ur] father: And what some or somes of money did you disburse or lay out sithence the said [vj]th of October, as well in suits of lawe as for yo[ur] o[w]ne expenses: And howe many suites or accions have [you?] ...**

★ **"at the tyme you were [a]cquitted of the said murther"** — the Court's own Article presupposes the complainant was **tried and acquitted** of the murder — converging with 010 r11 ("hardly escaped, found not guiltie") and Art. 1 ("whether you were justlie or wrongfullie indicted for that fact"). *△* Note the cross-account wrinkle: HLS f.82v says "**Ignoramus** found for the plt by speciall favour" (= grand jury refused the bill), while 008/010 read as **trial acquittal** — either two proceedings or loose usage; verification-table item. "[A]cquitted" itself deserves a tight zoom.

✓ SWEEP COMPLETE (all 15 bands, 2026-07-02) — STRUCTURAL RESOLUTION: 008 + 009 = ONE
16-ARTICLE INSTRUMENT

Corrected article map for membrane 008 (margin numbers 2, 4–11 read directly; 12 obscured by the TNA
file-slip; the "pay-Towneley" clause begins "And whether...", i.e. it is the TAIL of Art. 11, not a separate
article):

1. (*Imprimis*) the "no more Justice" report — **alone** (★ boundary corrected by the precision pass, zg8m2
2026-07-02: the margin "2" anchors at "And doe you beleve," so the brother material belongs to Art. 2 —
and Lloyd's answers 1–3 align with Arts. 1–3 exactly).
2. (*margin "2" at "And doe you beleve"*) brother **John ap Evan Lloyd** wrongfully
indicted/condemned/executed "for murtheringe of his A[nn/m]is or otherwise" + "whether YOU were
justlie or wrongfullie indicted for that fact" + the quarrels between you and **William ap Rees** ("that was
executed w[i]th yo[ur] said brother" — re-verified clean at q88; the name here possibly in the three-
element form, zg8art2).
3. did you not prefer the bill for wrong done unto ^{w[illia]m} **ap Res ap Willia[m]** and others — "why did not you
rather complaine of yo[ur] owne and yo[ur] said brothers wrongs, if any yo[u] have receaved."
4. who procured/devised/intreated + **the five Bulkeley** ("his bretheren," "or Willia[m] Bulkeley his
nephewe") + "did not [one?] **John Towneley, Councello[r] at Lawe, drawe or penne the said bill.**"

5. did the five Bulkeleys "write, send or speake to the said Towneley ... direction or instruction for the **framinge** of the said bill. By whome ... ^{[Hugh Loyd?] or Willia[m] [K]endrick[?]} ... And whether any other p[er]son ... gave any direction ^{to you or} to the said Towneley ... what be there names."
6. the money probe ("receave, **or shall yo[u]**") from Sir Richard & William Bulkeley "**& of Willm ap Rees himselfe**" + "did they ... request yo[u] to be of [C]ouncell ... **give or promise yo[u] any fee for the same.**"
7. resort to Sir Richard's house in **Channell Rowe** (✓ zoom z8art7_b1; "Newburgh Towne" retracted); "keepe companie w[i]th **his men**, and diett yo[ur]self w[i]th them where they comonlie used to diett"; conference with **William Bulkeley** "touchinge the proceedinge upon the said [bill]."
8. "what [lands?], goods and chattells [had] you **at the tyme you were [a]cquitted[?]** of the said murther: And where were they" + money "**sithence of yo[ur] father**" + disbursements + "howe many suites or accions ... in the Courts of Westm[inster] ... against the def[endan]ts in the said bill named ... who paid any p[ar]te ... who advised yo[u]."
9. how often did you confer with Sir Richard & William Bulkeley last term + "**upon thursdaye after you were lett at [large?] by the Warden of the ffleete[s] man, secretlie conferre w[i]th the said S[i]r R[i]chard Bulkeley in his chamber** ... what did he [ad]vise you to doe."
10. "**who passed his worde to the Warden of the ffleete for yo[ur] appearance** ... Was yt not the said Towneley ^{a[?]} one of S[i]r R[i]chard[s] men in liverye ... at whose request ... did not the said S[i]r R[i]chard or Willia[m] Bulkeley ... desire the said Towneley soe to doe. And **promise to save him harmeles ... is not the said Towneley of kynred w[i]th the said S[i]r R[i]chard.**"
11. the letter/token courier probe (money couriered from Sir Richard into Anglesey; "servant, bayliffe or frends"; ^{interline}) + tail: "did [the Bulkeleys] paye or promise to paye to the said **Towneley** any ... reward or recompence for his **paynes and care taken, or to be taken**, in the said suite."
12. the **Lord Chancellor petition** ("continuance of the said suite") + the **sureties** questions (ends at the torn foot). **Membrane 009 = the continuation leaf** (opens mid-sentence "**ffrom** [/who] gave you [I]nstru[ctions] to inserte in the ^{said} Bill or informac[i]on...", NO caption; margin "**14**" verified on the money article):
13. (*tail on 009 head; Lloyd "not appointed" to answer*) who gave you Instructions to insert in the bill the claims that robberies/burglaries "were [favoured?] ... since M[r] Justice Barker['s] ridinge," that "he used to staie matters in Chancerie after Judgment and execution," that "M[r] Leighton the other Justice was used disgracefullie ... wearie of his place: who gave yo[u] the[ir] ... [draught of their] instru[cti]ons: name him or them" + a **struck-through reward question**.
14. (*margin "14"; Lloyd ANSWERED it — the £13 accounting, 007*) "Item: what **maynetenaunces or monies** have you receaved from S[i]r R[i]chard Bulkley or of any of his servants, or of or from Willia[m] Bulkley, **since your imprisonment in the ffleete**: did you write any l[ett]res ... what was the contents thereof." ★ "**maynetenaunces**" verified at magnification (crop_v9maint2) — the first-sweep "**marriage-annuities**" is **RETRACTED**. The Court's own word is the medieval litigation-support offense: **maintenance**.
15. (*Lloyd "not appointed"*) who procured/advised you, "**besides the plaintiff, to draw and be of counsel in the drawing of the said Bill**" + the five Bulkeleys + fee — **drawer-directed**.
16. (*Lloyd "not appointed"*) "did YOU passe your words to the Warden ... **for the appearance of the said Rees**" (third person!) + "did Sir Richard Bulkeley promise to save YOU harmless" + were the Bulkeleys

"privie to the exhibiting of the said Information" — **drawer-directed; the mirror-image of Art. 10.**

Resolution: the two membranes carry **one continuous numbered instrument (1–16)** drafted against the whole enterprise — plaintiff AND counsel — **selectively administered:** the prisoner Lloyd answered his appointed articles and was "**not appointed to be examined**" on exactly **13, 15, 16 — the drawer-directed ones** (007), whose subject matter (who instructed the bill's contents; who procured the drawing; who passed words for "the said Rees") is instead covered by **Towneley's own deposition (001–003L)**. The first-sweep "second interrogatory set against Towneley" framing is **superseded** — there is one instrument, two examinees, and the Court chose which questions each man faced.
