

One recent identification is that with Cambyses, on the ground that the latter appears to have enjoyed the title of king from the beginning of Cyrus' reign; this was proposed by Winckler, *KAT* 287, and has been warmly adopted by Boufflower, p. 145. But no explanation of the equation 'Darius the Mede = Cambyses the Persian' is offered, and Boufflower appeals in vain (pp. 153 ff.) to a hypothesis that the Pers. names were epithetical, titular.

The more popular recent identification is that with Gubaru, Cyrus' lieutenant, who made the actual entry into Babylon in the name of his master, and subsequently was governor of that province according to the Nabonidus-Cyrus Chronicle. Other texts have since come to light which indicate that Gubaru was a high officer under Neb., probably toward the end of his reign; that under Cambyses he was governor both of Babylon and Abar-Nahara ('Across-Euphrates'). He appears also in the Behistûn Inscription as one of Darius I's field-m Marshals. Herodotus makes frequent reference to him in the history of Darius, and Xenophon gives extensive notices of him in the *Cyropaedia* (as Gobryas). This material has now been assembled and amply discussed by W. Schwenzner, who presents a plausible and most romantic reconstruction of the history of this Persian magnate, who probably as a mercenary enjoyed high rank under Neb., who appears to have made defection from Nabonidus (of the anti-Nebuchadnezzar party) and gone over to Cyrus, then received his high commands in the new empire, and subsequently became one of Darius' doughty lieutenants in the establishment of his kingdom.⁸

But 'Darius = Gubaru,' as far as names go, is still as fallacious an equation as is 'Darius = Cambyses'; such attempts are no bet-

⁸ W. Schwenzner, 'Gobryas,' *Klio*, 18 (1922), 41-58, 226-252. The texts in their chronological order appear: in Scheil, *Rev. d'ass.* 11 (1914), 165 ff., a text indicating that Gubaru held high rank under Neb. (so Scheil and Schwenzner, but Clay, *JAOS* 41, 466 argues that the date is under Cyrus); in the Nabonidus-Cyrus Chronicle (for literature s. note 12 below), acc. to which 'Gubaru, governor of Gutium, and the soldiers of Cyrus entered Babylon without a battle,' and after Cyrus' entry into the city and proclamation of peace 'he appointed Gubaru his satrap and prefects also in Babylon'; in Nies and Keiser, *Bab. Inscriptions in the Collection of James B. Nies*, pt. 2, 1918, nos. 69 and 114, of Cambyses' accession year, in both of which transgression against the terms of the documents involves 'sin against Gubaru, governor (*bêl pihati*) of Babylon and of Abar-Nahara (*ebir nari*)'; in Clay (not the editor, Hilprecht), *BE* viii, 1, no. 80, of Cambyses' 1st year, recording a 'canal of Gubaru'; in Strassmaier, *Inscripfen v. Cambyfes*, no. 96, relating to his private affairs, barns,
