

Enakiings. But the Lord destroyed them before them, & they succeeded the in the inheritance & dwelt in theyr steade: as he dyd for the children of *Eau, which dwell in Seir: whan he destroyed the hozyms before them they conquered theyr posseltyon, and dwelt in theyr steade vnto this dape. And *Auims which dwell in hazarim euen vnto Aza, the Capthozymys which came out of Capthoz destroyed them, and dwelt in theyr steade.

Rple ye vnto the Lord, and take poure sounes ouer the ryuer Arnon. Beholde, * I haue geuen into thy hande Schon the Amozite kyng of hesoon, and his lande. Go to the force and conquere, and prouoke hym to battell. This dape will I begynne to sende the feare and drede of the, vpon all naciōs that are vnder all the heauen: so that they whych heare speake of the, shall tremble and quake before the.

And so I sent messengers out of the wylderneesse of kedemoth vnto Schon kyng of hesoon, with wordes of peace, sayinge: * I will go thorow thy lande. I will go alonge by the hye wape: I will nether turne vnto * ryghte hande nor to the lefte. Thou shalt sell me meate for money for to cate, and geue me drinke for money for to drinke. Onely graunt me, that I maye go thorow on my fote (as the chyldren of Eau which dwell in Seir, & the Moabites which dwell in Ar, dyd vnto me) vntyll I be come ouer Jordan, into * lande which the Lord oure God geueth vs.

But Schon the kyng of hesoon wolde not let vs passe by him, for the Lord thy God hardened his spere, & made his herte tough, because he wolde deliuer hym into thy hande, as it is come to passe this dape.

And the Lord sayde vnto me: beholde, I haue begonne to set Schon and his lande before the: go to and conquere, and possesse his lande. * Then both Schon & all his people came out agaynst vs to fyght at Jaza. And the Lord set him before vs, & we smote him and his sonnes and all his people.

And we toke all his cyties & same reason, and slue the men, women and chyldren of all the cyties, and let nothynge remayne, saue * catell onely we caught vnto oure selues, and the spoyle of the cyties which we toke, from Aroer which is by the bynke of the ryuer of Arnon, & fro the cytie that is in the ryuer, vnto Gilead: there was not one cytie to strōge for vs. The Lord oure God deliuered all vnto vs: onely vnto * lande of the children of Ammon thou camest not, nor vnto euery place of the ryuer Jabock, nor vnto the cyties in the mountaynes, nor vnto whatsoeuer the Lord oure God forbadde vs.

The. iii. Chapter.
* Thynge that chaunted from the victorie of the two kynges Schon and Og vnto the Institucion of Josue in Moyses Reade.

When we turned & wet vnto the wape to Basan. * And Og the kyng of Basan came out agaynst vs: he and all his people to battell at Edrai. And the Lord sayde vnto me: feare him not, for I will deliuer hym, & all his people and his lande into thy hande, and thou shalt do vnto him, as thou dydest vnto Schon kyng of the Amozites, which dwell at hesoon. And so the Lord oure God deliuered into oure handes, Og also the kyng of Basan and all his folke. And we smote him, vntyll none was lefte hym alyue.

And we toke all his cyties the same reason (nether was there a cytie which we toke not from them) eue the score cyties thorow out all the regio of Argob, the kyngdome of Og in Basan. All these cyties also were made stronge with hye walles, gates and barres, besyde vnto walled townes a greate manepe. And we utterly destroyed them, as we dyd vnto Schon kyng of hesoon, bringyng to nought all the cyties, with men, women and chyldren. But all the catell and the spoyle of the cyties, we caught for oure selues.

And thus we toke the same reason, out of the hande of two kynges of the Amozites, the lande that was on the other syde Jordan, from the ryuer of Arnon vnto mount Hermon (whych Hermon the Sidons call Syron, and the Amozites call it Seny) all the cyties that laye in the playne, and all Gilead and all Basan vnto Salecha and Edrai, ci-tyes of the kyngdome of Og in Basan. For onely Og kyng of Basan remayned of the remnant of the gyautes, whose bed was a bed of yron. And is it not yet at Rabah amonge the chyldren of Ammon: ix. cubytes doth the length therof conteyne, and foure cubytes the breadth of it, after the cubite of a man. And so we conquered this lande the same tyme, from Aroer whych is by the ryuer of Arnon, vnto halfe mount Gilead, * & the cities therof gaue I vnto the Rubenites and Gadites. And the rest of Gilead and all Basan of the kyngdome of Og, gaue I vnto the halfe trybe of Manasse: euen all the rygion of Argob with all Basan: which is called the lande of gyautes. Jaie the sonne of Manasse toke all the region of Argob vnto the coastes of Gesuri and Maachati, and called the after his owne name: Basan haueoth Jaie vnto this dape. And I gaue Gilead vnto Machir. And vnto the Rubenites and Gadites I gaue halfe Gilead vnto the ryuer of Arnon, halfe the valey & beyonde, euen vnto the ryuer Jabock, which is the border of the chyldren of Ammon: the playne also (of the wylderneesse) and Jordā and the coast therof, fro Ceneroth euen vnto the see whych is in the playne, euen the salt see vnder the springes of the byll, eastwarde.

* And

And I commaunded you the same tyme sayinge: the Lord poure God hath geuen you this lande to enioye it: ye shall go harnessed before poure brethren the chyldren of Israel, all that are mete for the warre. Poure wyues onely, poure chyldren, and poure catell (for I wote that ye haue moche catell) shall abyde in poure cyties which I haue geuen you, vntill the Lord haue geue rest vnto poure brethren as well as vnto you, and vntyll they also haue conquered the lande, whych the Lord poure God hath geue them beyonde Jordan: and then shall ye returne agayne, euery man vnto his possession which I haue geuen you.

And I warned Josua the same tyme sayinge: thyne eyes haue sene all * the Lord poure God hath done vnto these two kynges eue so shall he do vnto all kyngdomes whycher thou goest. Ye shall not feare them, for the Lord poure God, he shall fyghte for you.

And I besoughte the Lord the same tyme sayinge: O Lord God, thou hast begonne to shewe thy seruante thy greatnesse and thy myghte hande, for els where is there a God in heauē or in erth, that can do after thy workes and after thy power: let me go ouer and se the good lande that is beyonde Jordā, that goodly mountayne, and Libanon.

But the Lord was angrye wyth me for poure sakes, and wolde not heare me. And * the Lord sayde vnto me: be content, speake no moare vnto me of this matter. * Set the vp into the tope of the byll, and lyfte vp thyne eyes westwarde, northwarde, southwarde, and eastwarde, and beholde it wyth thyne eyes, for thou shalt not go ouer this Jordā. But charge Josua: and courage him, & bolde him. * For he shall go before this people, and he shall deuyde vnto them the lande whych thou shalt se. And so we abode in the valey ouer agaynst the house of Deor.

The. iiii. Chapter.

An exhortacion to gene diligent hede vnto the lawe. Images maye not be made to worshippe. The the cyties of refuge.

And now herke O Israel vnto the ordinaunces and lawes which I teache you, for to do the, that so ye maye lyue & go in and coquere the lande, which * the Lord God of poure fathers geueth you. * Ye shall put nothinge vnto the worde which I commaunde you, nether do ought therfrom, that ye maye kepe the commaundementes of the Lord poure God which I commaunde you. Poure eyes haue sene what the Lord dyd vnto Baal Deor * for all the men that folowed Baal Deor, the Lord poure God hath destroyed from amonge you. But ye that cleue vnto the Lord poure God, are alyue euery one of you this dape. Behold I haue tau-ght you ordinaunces and lawes, soch as the

Lord my God commaunded me, that ye shulde do euen so in the lande, whether ye go to possesse it.

Kepe them therfore and do them, for that is poure wysdome & vnderstandynge in the syghte of the nacyons: that they maye heare all these ordinaunces, and saye: Surely it is a wysle and vnderstandynge people: it is a greate nacyon. For what other nacyon is so greate, that Goddes come to nye vnto: as * the Lord oure God is nye vnto vs, in all thynges * as oft as we call vnto him: Ye, & what nacyon is so greate, that hath ordinaunces & lawes so righteous, as all this lawe whych I sett before you this dape?

Take hede to thy selfe therfore, and kepe thy soule diligently, that thou forget not the thynges which thyne eyes haue sene, & that they departe not out of thyne harte, all the dayes of thy lyfe: but * teache them thy sonnes & thy sonnes sonnes: Specially the dape that thou stodest before the Lord thy God in Horeb, when the Lord sayde vnto me: gether me the people together, and I will make the heare my wordes, & they maye lerne to feare me all the dayes that they shall lyue vpon the erth * and that they maye teache their chyldren: ye came & and stode also vnder the byll, and the byll burnt with fyre: euen vnto the myddes of heauen, & there was darcknesse, cloudes & myst. And the Lord spake vnto you out of the myddes of the fyre, & ye herde the voyce of the wordes * but sawe no pma-ge, saue herde a voyce onely.

And he declared vnto you his conenaunt which he comaunded you to do, euen. x. ver-ses, which he wrote vpon two tables of stone. And the Lord commaunded me that same reason, that I shulde teach you ordinaunces and lawes, which ye ought to do in the lande whether ye go to possesse it.

Take therfore good hede vnto poure selues as pertaynyng vnto poure soules, for ye sawe no maner of ymage in the dape that the Lord spake vnto you in Horeb out of the myddes of the fyre: lest ye make poure selues and make you a graue ymage and picture of any maner of fygure: the lykenesse of man or woman, the lykenesse of any maner of beast that is on the erth, or the lykenesse of any maner feathered foule that flyeth in the ayre, or the lykenesse of any maner worme that creepeth on the erth, or the lykenesse of any maner fyre that is in the waters beneth the erth.

Ye and lest thou lyfte vp thyne eyes vnto heuen and when * thou seest the sonne, the moone and the starrs with all the host of heauen, shuldest be descaued, and shuldest worshippe and serue the thynges, which the Lord thy God hath made to serue all nacyons vnder the whole heauen.

But the Lord hath taken you, & brought you out
