37. CHARACTER AND SOCIAL ADJUSTMENT: Read and consider the following instructions carefully BEFORE answering questions a through f.

1. If your answer to every question is truthfully "NO", please indicate in the appropriate space.

2. If your answer to any questions in this item is "YES", or you have reservations about answering questions of this nature, you are not required to answer, or explain any of these questions in writing. Instead, you may request a personal interview in which you may provide the required information for each question orally.

3. If you choose the personal interview, the information you give may be investigated; however, any written record of the interview itself will not be retained more than six months after entry upon active duty, and it will not become a part of your permanent military personnel service record.

4. If you enlist, this information may be requested from you again at some future date and may become a part of your security investigative file at that time. This could occur as a result of your being considered for duties involving access to classified information or other types of duty requiring a personnel security investigation.
