I can't believe ABC Fake News gave Jimmy Kimmel his job back. The White House was told by ABC that his Show was cancelled! Something happened between then and now because his audience is GONE, and his "talent" was never there. Why would they want someone back who does so poorly, who's not funny, and who puts the Network in jeopardy by playing 99% positive Democrat GARBAGE. He is yet another arm of the DNC and, to the best of my knowledge, that would be a major Illegal Campaign Contribution. I think we're going to test ABC out on this. Let's see how we do. Last time I went after them, they gave me \$16 Million Dollars. This one sounds even more lucrative. A true bunch of losers! Let Jimmy Kimmel rot in his bad Ratings.

Has there EVER been a WORSE HOST than Jimmy Kimmel at The Oscars. His opening was that of a less than average person trying too hard to be something which he is not, and never can be. Get rid of Kimmel and perhaps replace him with another washed up, but cheap, ABC "talent," George Slopanopoulos. He would make everybody on stage look bigger, stronger, and more glamorous. Also a really bad politically correct show tonight, and for years - Disjointed, boring, and very unfair. Why don't they just give the Oscars to those that deserve them. Maybe that way their audience and TV ratings will come back from the depths. MAKE AMERICA GREAT AGAIN!

Great News for America: The ratings challenged Jimmy Kimmel Show is CANCELLED. Congratulations to ABC for finally having the courage to do what had to be done. Kimmel has ZERO talent, and worse ratings than even Colbert, if that's possible. That leaves Jimmy and Seth, two total losers, on Fake News NBC. Their ratings are also horrible. Do it NBC!!! Everybody is saying that I was solely responsible for the firing of Stephen Colbert from CBS, Late Night. That is not true! The reason he was fired was a pure lack of TALENT, and the fact that this deficiency was costing CBS \$50 Million Dollars a year in losses — And it was only going to get WORSE! Next up will be an even less talented Jimmy Kimmel, and then, a weak, and very insecure, Jimmy Fallon. The only real question is, who will go first? Show Biz and Television is a very simple business. If you get Ratings, you can say or do anything. If you don't, you always become a victim. Colbert became a victim to himself, the other two will follow.

The word is, and it's a strong word at that, Jimmy Kimmel is NEXT to go in the untalented Late Night Sweepstakes and, shortly thereafter, Fallon will be gone. These are people with absolutely NO TALENT, who were paid Millions of Dollars for, in all cases, destroying what used to be GREAT Television. It's really good to see them go, and I hope I played a major part in it!

I absolutely love that Colbert' got fired. His talent was even less than his ratings. I hear Jimmy Kimmel is next. Has even less talent than Colbert! Greg Gutfeld is better than all of them combined, including the Moron on NBC who ruined the once great Tonight Show.

I briefly watched an interview of Stephen Colbert on highly government subsidized PBS, and found it fascinating for only one reason — Why would they be wasting time and the public's money on this complete and total loser? He is not funny, which he gets paid far too much to be, he is not wise, he is VERY BORING, and his show is dying from a complete lack of viewers — Gutfeld, on cable, is killing him! CBS should terminate his contract and pick almost anyone, right off the street, who would do better, and for FAR LESS MONEY — Or I could recommend someone, much more talented, and smarter, who would do it for FREE! The good news for Stephen is that the two DOPES on NBC & ABC are not much better than him!
