
WORKING TRANSCRIPTION — MEMBRANE 009 (ARTICLES 13–16, THE CONTINUATION LEAF OF THE 008 INSTRUMENT), PRECISION-PASS LINE-BY-LINE SWEEP

Working diplomatic transcription (band-level authority layer)

Corpus	02_STAC_8_203_38
Source	_WORKING_009_TRANSCRIPTION.md
Integrity	sha256 f7f2b08974d9 · rendered 2026-07-09
Status	<i>Derived render for review. The markdown source file governs; the modernized layer is never quotable; all readings are provisional pending the commissioned professional transcription (names above all). Canonical apparatus: _PRECISION_PASS_LEDGER.md; method: TRANSCRIPTION_AND_ANALYSIS_METHODOLOGY.md.</i>

HOW TO READ THIS RENDER (CONVENTIONS LEGEND)

strikethrough	struck in the manuscript (source: ~text~)
superscript	scribal interlineation or raised letters (source: ^text^, m^r)
serif (Cambria) span	diplomatic text quoted inline (source: `text`); the type shift marks the source-text voice; conventions inside are rendered too
boxed serif panel	diplomatic transcription block
gray italic [...]	pass-annotation — editorial apparatus, NOT manuscript text
CONFIRM UPGRADE LEAN CONFLICT	delta-log verdict class: green = confirmed/convergent · blue = upgraded/new · amber = lean/open/variant · red = retraction/conflict
[?] / [...] / [...] · « » · · △ ✓ eB X ★	sigla printed verbatim per methodology §6/§9

CONTENTS

BAND 1 (SRC Y 135–702) — ART. 13 BODY: "BILL OR INFORMATION"; THE CRIME CLAIM; THE CHANCERY CLAUSE; LEIGHTON.....	2
BAND 2 (SRC Y 564–1200) — LEIGHTON "WEARIE OF HIS PLACE"; ★ THE STRUCK REWARD QUESTION PARTIALLY RECOVERED; MARGIN "14"; ART. 14 OPENS	3
BAND 3 (SRC Y 1062–1698) — ART. 14 COMPLETES (THE LETTERS CLAUSE); MARGIN "15"; ★ ART. 15 OPENS WITH AN INTERLINED ENLARGEMENT	3
BAND 4 (SRC Y 1560–2196) — ART. 15 COMPLETES: THE FIVE "BURKLIES," THE FEE PROBE WITH ITS OWN INTERLINE	4
BAND 5 (SRC Y 2058–2695) — MARGIN "16"; ★ ART. 16: "THE APPEARANCE OF THE SAID REES AP EVAN"; "FFIRST ATTACHED"	4

BAND 6 (SRC Y 2557–3193) — ART. 16 COMPLETES; THE INSTRUMENT'S TEXT ENDS	5
BANDS 7–9 (SRC Y 3055–4619) — BLANK FOOT; NO SUBSCRIPTION	5

Why (2026-07-02, precision pass): 009 is the one leaf never read line-by-line under Fable 5 — its Articles 13–16 rest on first-sweep (Opus) bands plus targeted verification zooms (crop_v9open2, crop_v9maint2). It is the legally heaviest leaf in the file: Art. 13 = the only statement of Barker's alleged wrong; Art. 14 = "maynetenaunces"; Arts. 15–16 = the drawer-directed mirror. This sweep reads the whole written zone at 008-sweep density. **This supersedes the first-sweep 009 readings once complete.**

Bands: scratchpad crop_s9p_b1..b9 (x 0.06–0.98, y 0.02–0.68 of 2948×6794, q84, ~14% overlap; lower leaf is blank + TNA stamps). [?] uncertain · [...] / [] supplied/illegible · word interlineation · ~~struck~~ deletion. Flush per band pair; 1–2 image reads per message (MB-protocol v2).

Verification anchors that must reconcile: opens mid-sentence "ffrom..." (v9open2 ✓); margin "14" (v9maint ✓); "maynetenaunces or monies" (v9maint2 ✓); Lloyd answered 14 only, declined 13/15/16 (007 ✓); Towneley answered 13/15/16 (003L ✓).

//PHASE 4B FOLD-IN, 2026-07-08 (user-approved)// The 4B half-column line-index sweep (_WORKING_009_LINE_INDEX.md, census **31 lines**, 12-item delta log) is folded in via *//4B: ...//* notes. ★★ **HEADLINE — THE ENDORSEMENT/DOCKET** (bottom-left corner, written ROTATED 90°, a zone no prior pass imaged): 4 lines, one clerk's hand — "Ex[?]^[?] Townley / et al p[er] ordin[em] / Ad sect[am]?/Adv[er]s[us]? Barker ar[migeri] / T . 5 . Ja[cobi]" — Towneley named "et al.," Barker styled esquire, and the file self-dated **Trinity term 5 Jac. I (1607)**, locking the chronology (10-June order → 11[?]-June examinations → Trinity-1607 *Floyd v. Barker*). △△ The party-styling cluster "Adfe[c/r]t" leads "**ad sect[am] Barker**" ("at the suit of Barker") — which would docket the cause as **Barker's own counter-suit** — a THIRD styling stratum alongside 001's caption (*Lloyd v. Barker*) and the TNA catalogue (*Lloyde v. Lewys*). **Interpretation NOT folded into any conclusion — flagged for USER + TNA arbitration first.** Also: margin-numeral habit differs by hand (009's ride level; 008's ink one line below) — corroborates two scribes; the endorsement is the leaf's only ink below L31 (foot verified end-to-end).

(bands filled as read)

BAND 1 (SRC Y 135–702) — ART. 13 BODY: "BILL OR INFORMATION"; THE CRIME CLAIM; THE CHANCERY CLAUSE; LEIGHTON

ffrom. / W[ho]e gave you Instrucons to inserte in the said *//4B #6: a NEW small "et"-like raised token sits above this line's head — unresolved; TNA//* Bill or informac[i]on, that [ro]beries [&] Burglaries were fav[o]r[?] found *//4B #5 RE-OPENED: native+ vowels lean "favor found" — the FIRST sweep's "[favoured?]" partially rehabilitated against this pass's "fewer found[?]"*; and "[C]irc[uit]s[?]" is NOT confirmed ("re[?]t"-ish strokes); both TNA in

[the?] [_?] since M[r] Justice / Barker['s] ridinge in those Countreys, and that he used to staie matters / in Chancerie after Judgment and execuc[i]on; and that M[r] L[a/e]ighton *[[4B #8: vowel a-ish — name-vowel flag; TNA name-cluster]], / the other Justice, was used disgracefullie through his s[e]ruice *[[4B #7: "s[e]ruice" now LEADS over "suite" (r-u-i-c minims)], ... (continues b2)**

★ (1) The leaf's mid-sentence opening reconfirmed at sweep density ("ffrom." closes 008's torn question; "W[ho]e gave you Instrucions..." opens the next); (2) "Bill or informac[i]on" — the instrument's own alternative styling, matching Art. 16's "the said Information"; (3) the crime claim refines: robberies & burglaries "fewer found[?]" since Barker rode those "Countreys" — i.e., the bill alleged under-prosecution (fewer indictments found) on Barker's circuit — the first-sweep "[favoured?/never so found?]" superseded, reading still flagged; (4) the Chancery clause clean: "he used to staie matters in Chancerie after Judgment and execuc[i]on"; (5) "through his [suite?/service?]" — terminal word newly ambiguous at this density; flagged.

BAND 2 (SRC Y 564–1200) — LEIGHTON "WEARIE OF HIS PLACE"; ★ THE STRUCK REWARD QUESTION PARTIALLY RECOVERED; MARGIN "14"; ART. 14 OPENS

... and that M[r] Leighton did deliver it Publikelie that he was / wearie of his place: Who gave y[o]u theirs, or anie of their / instrucc[i]ons: name him or them that did soe doe. ~~[Did they give?] anie r[e]ward, [tendred?] or [pro]mised [_] [to/by?] the ^{said} M[r] Barker [_] / and[?] what was the[?] cause the[re]of[?]~~ *[[4B #2–3: "M[r] Barker" now FIRM inside the strike (was "Bar[ker?]"); bars confirmed both renders; layout sharpened — the struck question = TWO CRAMPED lines squeezed between L8 and the Art-14 opener: an afterthought insertion, then struck ENTIRE (added late, deleted whole)] /*

(margin "[1]4":) Item: what maynetenaunces or moneys have you receaved from / S[i]r R[i]chard Burklie, or of any of his [s]ervant[s], or of or from Willia[m] / Burklie, since your imprisonment in the ffleete: did you write any ... (continues b3)

★★ (1) The struck reward question (ledger D12) yields a partial reading: a question about "anie r[e]ward [tendred?] or [pro]mised" — apparently touching M[r] Barker himself — was drafted into Art. 13 and then struck through entirely. If the strokes are right, the drafters flirted with asking about reward *concerning the judge* and deleted it — the one probe pointing toward Barker's side of the ledger was removed from the instrument. Heavy flags; multispectral target for the professional commission. (2) "maynetenaunces or moneys" holds verbatim at sweep density (third independent confirmation: v9maint2 zoom, the 007 answer-mirror, now the precision band). (3) Spelling "Burklie" (this leaf's Bulkeley variant). (4) Leighton's public weariness clause clean.

BAND 3 (SRC Y 1062–1698) — ART. 14 COMPLETES (THE LETTERS CLAUSE); MARGIN "15"; ★ ART. 15 OPENS WITH AN INTERLINED ENLARGEMENT

... [did you write any] l[ett]res[?] to any p[er]son or p[er]sons since your . imprisonment, and if you / did, what was the Contents thereof. /

(margin "15":) **Item: who did procure, advise or intreate you, or gave yo[u] any of the said Instruct[i]ons, besides the p[lain]t[iff] / Rees, to drawe, and be a[s] Councelle in the drawinge of the said Bill — / did S[i]r Richard Burkleie knigh[t], William Burkleie, Daniell — ... (the Bulkeley list continues b4)**

★ (1) Art. 14's tail confirmed: the letters probe ("did you write any letters ... what was the contents thereof") is Art. 14's second limb — exactly what Lloyd's answer 14 addresses with the "to his remembraunce" denial; (2) **NEW — Art. 15 carries an interlined enlargement:** "or gave yo[u] any of the said Instruct[i]ons" — the drafters, revising, tied the counsel-procurement probe back to Art. 13's instructions question: whoever gave the drawer the *instructions* is swept into the same net as whoever *procured* him; (3) the excluded party is NAMED in the article: "besides the p[lain]t[iff] **Rees**" — the instrument's own word for Lloyd's role on this leaf (cf. Art. 16 "the said Rees"); (4) the drawer-directed verbs at density: "to **drawe**, and be a[s] **Councelle** in the **drawinge** of the said Bill."

BAND 4 (SRC Y 1560–2196) — ART. 15 COMPLETES: THE FIVE "BURKLIES," THE FEE PROBE WITH ITS OWN INTERLINE

... did S[i]r Richard Burkleie knigh[t], William Burkleie, Daniell — / Burkleie, Trustram Burkleie, Launcellott Burkleie, or any of / them, intreate or wishe you to drawe the same Bill: did theie / or any of them give you any ffees for the same, or promise yo[u] hereafter *¶4B #4: "hereafter" sits at LINE level; the caret+raised token = "yo[u]" (supplies the indirect object, parallel "give you"); this pass's "here[a]fter"-as-interline retracted to alternative* **/ name him or them that soe did /**

★ (1) The five-man list at density, in this leaf's spellings ("Burkleie"; "Trustram" for 008's "Tristram"; "Launcellott"); (2) the fee probe's future limb is ALSO an interline: "or promise *hereafter*" — like Art. 6's "or shall yo[u]" and Art. 11's "or to be taken," the future-services net was stitched in during revision; (3) "name him or them that soe did" closes the article.

BAND 5 (SRC Y 2058–2695) — MARGIN "16"; ★ ART. 16: "THE APPEARANCE OF THE SAID REES AP EVAN"; "FFIRST ATTACHED"

(margin "16":) **Item: did you ~~you~~ passe yo[ur] wourde so[e?] to the warden of the ffleetes / mane, for the apparance of the said Rees ap Evan in the Starrche/chamber, the ffridaie after he was ffirst atached** *¶4B #10: single-t on the leaf; the "Starrche/chamber" break-dittograph is literal; "Rees ap Ev[o]n" vowel o-ish (joins the Ev[a]n/patronym TNA name-cluster)* **/ and if you did, / who did request you soe to doe: did S[i]r Richard Burkleie promise / to save you harmeles for the same; And doe you knowe, or doe / you beleve in yo[ur] Conscience, that the said S[i]r R[i]chard, W[illia]m / Buckley, or ~~an~~[y] e[i]ther of them, were privie to the exhibitinge ... (continues b6)**

★ (1) The third-person naming sharpens: "the apparance of the said Rees ap Evan" — the drawer-directed article calls the complainant by name-and-patronymic (first sweep had bare "Rees"); (2) **"the ffridaie after he was ffirst atached"** — the arrest word clean (cf. Art. 9's Thursday and answer 9's "at all that day" denial: the instrument's own chronology of Lloyd's first days in custody); (3) scribal touches:

the doubled "you" struck; "any" → e[i]ther"; the spelling drifts within one leaf (Burklie/Buckley) — useful for the professional commission's hand-analysis.

BAND 6 (SRC Y 2557–3193) — ART. 16 COMPLETES; THE INSTRUMENT'S TEXT ENDS

... [were privie] to the exhibitinge / of the said Informac[i]on into this Honorable Courte of Starre/chamber, against the said M[r] Barker and others, yea or noe.

(the written zone ends; blank parchment below — bands 7–9 checked for any faint subscription)

★ The instrument's final clause at density: "**the said Informac[i]on ... against the said M[r] Barker and others**" — the Court's own paper twice styles Lloyd's pleading an "Information" (Arts. 13 and 16), the term for a Crown-side charge — consistent with the bill's Crown-flavored framing (cf. answer 8's action "prosecuted on the behalfe of his Majesty") and with the Court treating its exhibition as the act to be traced.

BANDS 7–9 (SRC Y 3055–4619) — BLANK FOOT; NO SUBSCRIPTION

(b7: blank parchment, sewing prick-marks along the right edge; b8: blank, the TNA stamp's purple edge entering at foot; b9: the oval purple PUBLIC RECORD OFFICE stamp, pencil circled "2," pencil "8/[48]" at the edge — no early-modern ink anywhere below Art. 16.) [4B CORRECTION: one exception — the ROTATED ENDORSEMENT at the bottom-left corner (see the 4B fold-in note at the head of this file): the docket "Ex[?] Townley / et aī p[er] ordin[em] / Ad sect[am]?/Adv[?] Barker ar[migeri] / T. 5. Ja[cobi]" is the leaf's only ink below L31]

★ **The instrument is UNSIGNED** — no counsel subscription on 008 (torn foot) or 009 (intact blank foot). The Court's own interrogatories carry no hand, while the Answer (010) is counsel-signed ("Boyd/Boys") and both depositions are autograph-subscribed. For the commission: confirm no signature was lost to 008's tear.

★ **MEMBRANE 009 PRECISION SWEEP COMPLETE (9/9 bands, 2026-07-02).** Net new vs the first sweep + verification zooms: (1) "**Bill or informac[i]on**" (Art. 13) + "the said Informac[i]on" (Art. 16) — the instrument twice styles the pleading an *Information*; (2) the crime claim refined: robberies & burglaries "**fewer found[?]**" since Barker's riding; (3) ★ **the struck reward question partially recovered** ("~~anie r[e]ward [tendred?] or [promised [] the said M[r] Barker]~~...") — the one probe pointing at the judge's side of the ledger, deleted in drafting; (4) **Art. 15's interlined enlargement** "or gave yo[u] any of the said Instruc[i]ons" + the fee probe's interlined "hereafter" — the future-services and instructions nets stitched in during revision; (5) Art. 15 names "besides the p[lain]t[iff] Rees"; **Art. 16 names "the said Rees ap Evan"** and "the ffridaie after he was ffirst attached"; (6) spelling drift Burklie/Buckley + "Trustram"/"Launcellott"; (7) the foot is blank — **the instrument is unsigned**. All prior verification anchors reconciled (mid-sentence "ffrom" opening ✓; margin "14" ✓ — margins "15"/"16" now also read directly; "maynetenaunces or moneys" ✓✓✓).
