Corpus: TNA STAC 8/203/38 (record copy RC8368179) — catalogued *Lloyde v. Lewys*, Anglesey, June 1607; the surviving Star Chamber file behind *Floyd v. Barker*, 77 Eng. Rep. 1305 (1607)

STATEMENT OF EDITORIAL METHOD

(a) The reader-facing edition of membrane 008, assembled from _WORKING_008_TRANSCRIPTION.md (the adjudicated article-by-article text, Phase-4A fold-in complete) and _WORKING_008_LINE_INDEX.md (the 86-line census and delta log), with the ledger — every flag preserved, no new readings. Because this leaf is a numbered legal instrument, the edition's addressable units are the instrument's own articles (008.art4), each tied to its canon band range; the line-grain (L1–L86 with band IDs) lives in the line index. The leaf is ONE ACTIVELY-REVISED DRAFT: five insertion/strike events in a single second-ink family (orange/faded) are mapped across the articles below — the Court's questionnaire being revised as drafted.

(b) Conventions per methodology §6. Quotations from THE_TWO_LOCKS.md n. vst2 rest on this membrane and 009 — the quoted-readings concordance (QUOTATION_CONCORDANCE.md §A) is the audit surface.

(c) Labels: 008.cap = the caption block; 008.art1–008.art12 = the articles as the scribe's own margin numerals bound them (margin "2", "4"–"11" read directly; "12" obscured by the TNA file-slip; the corrected article map is the 2026-07-02 structural resolution). Tiles: b5 = crops/canon/crop_canon_m008_L_b5.jpg || ..._R_b5.jpg

(+_eB); article entries cite approximate band RANGES (the instrument's articles span bands).

(d) Authorization: quoting with disclosure (2026-07-03); diplomatic only; names provisional pending TNA.

Modernized (editorial aid — never quotable): June 1607. Articles to be ministered against Res ap Evan Lloyd, now remaining prisoner in the Fleet, according to an order made the [twentieth?] day of June.

 manuscript assembling the name — cf. 004.L25); the "why not your own wrongs"
 probe = the standing question at the origin

Modernized (editorial aid — never quotable): 1. Did you report, since the 6th of
 October last, that Richard Barker esquire, one of His Majesty's Justices of the Great
 Sessions of Anglesey in North Wales, should be no more Justice there? To whom, and
 what moved you? 2. Do you believe in your conscience that John ap Evan Lloyd your

 and were YOU justly or wrongfully indicted for that fact? What quarrels were between
 you and William ap Rees ap William, that was executed with your said brother? 3. Did
 you not prefer a bill into the Star Chamber against Mr Justice Barker and others, for a
 supposed wrong done unto William ap Rees ap William and others — and why did you
 not rather complain of your own and your said brother's wrongs, if any you have
 received, than of their wrongs?

STRUCTURE, REVISION STRATUM AND PHYSICAL RECORD

Census (4A, FIRM): 86 lines (L1–L86 in `_WORKING_008_LINE_INDEX.md`, half-column band IDs) — 4 short runover tails isolated as scribal habit (L41 "[fee?] for the same" · L48 "bill" · L63 "doe therein" · L80 "chamber"). **The instrument-level result:** this leaf is ONE actively-revised draft — five insertion/strike events, all in the same orange/faded second-ink family: the «or» before William Bulkeley (art4) · *or to be of Counsell* (art4) · the three-token strike + *to you or* (art5) · the ~~Counsell~~ strike + squeezed fee clause (art6) · the livery interline (art10) — plus the art11 *or of the [him?]selfe* interline. **STRUCTURAL RESOLUTION (2026-07-02):** membranes 008 + 009 = ONE continuous numbered instrument (1–16), drafted against the whole enterprise — plaintiff AND counsel — and administered selectively: Lloyd answered his appointed articles and was "not appointed to be examined" on exactly 13, 15, 16 — the drawer-directed ones, covered instead by Towneley's deposition. The margin carries the scribe's own article numerals; a TNA "File / Bundle 3" slip obscures the 12-zone margin.

Physical: tall single leaf (2862×6720); torn/stained foot (the sureties article's tail and the next article's head run off the tear → 009); the TNA file-slip at the left margin of band 13; the caption's order-date day-number uncertain (ledger B7).
