

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

JOSEPH KIRCHNER,
Plaintiff,
v.
MIKE JOHNSON et al.,
Defendants.

Case No. 1:25-cv-02735-ACR
**PLAINTIFF'S SUPPLEMENTAL NOTICE OF
RELATED CASES**

Plaintiff respectfully supplements his Notice of Related Cases (ECF No. 54 at 2) to report two developments arising after that Notice was filed.

***Kirchner v. Ellison*, No. 0:26-cv-00726 (D. Minn.), appeal No. 26-1615 (8th Cir.).** On June 25, 2026, the United States Court of Appeals for the Eighth Circuit summarily affirmed the district court's dismissal under Eighth Circuit Rule 47A(a), in a judgment without opinion. The dismissal under review rested on Federal Rule of Civil Procedure 8(a)(2). The mandate issued on July 16, 2026.

***Kirchner v. Ellison*, No. 0:26-cv-02594-LMP-DJF (D. Minn.), filed May 12, 2026.** Following the dismissal noticed above, Plaintiff filed a narrowed action in the District of Minnesota presenting only claims against the Minnesota Attorney General arising from his office's February 26, 2026 denial of Plaintiff's criminal referral and its published disclaimer of investigative authority — a factual predicate also pleaded in this action. Defendant's motion to dismiss in that action is fully briefed; Plaintiff's opposition was filed July 8, 2026, and on July 28, 2026, the court took the motion under advisement, to be decided on the papers without a hearing.

This notice is submitted for completeness of the record.

Respectfully submitted,

/s/ Joseph Kirchner
